On leaving the airport, keep to the right-hand lane as this feeds into the N2 Motorway to Cape Town – take an odometer reading from here.

After 14km (just past Junction 6) keep to the left lane and follow the CAPE TOWN SOUTH de Waal Drive/Cableway sign.

After 3.5km bear left just before the bridge towards M3 (M62) Camps Bay/Cableway – do not pass under the bridge!

The M3 curves to the right and reaches a T-Junction after 2km. Turn left here, still towards Cableway.

Buitengracht changes name to Kloof Nek Road. Continue past 2 churches and two pedestrian crossings. Immediately after the second pedestrian crossing (at 40 Kloof Nek) turn right into St Michael's Rd. (alongside a football field). 500 meters up the hill is a stop street. Turn left here into Upper Albert and then left again into Rael Street. Mountain Magic is at the end of this dead-end road.
